SINGLES - List all players on the team in order of ability ("assessed ability"); in the orange column, indicate the assessed ability as of the previous match; in the green column, indicate which position they will be playing today in today's match.

Players shall be assessed in their order of ability, and no player shall be assessed more than one position higher or lower than he/she was assessed for the previous match. Players selected for the singles lineup shall play in the order of their assessed ability. Coaches shall declare their singles lineup immediately following the completion of doubles play. *Coaches shall exchange lineup forms at least 15 minutes prior to the start of the match with doubles lineups declared. Disputes concerning the legality of a lineup shall be addressed to the opposing coach before the match begins.*
